June 5, 2023

Milestone achieved with flexible manufacturing facilities, a highly trained and capable team, and lean manufacturing processes

CHARLOTTE, Mich., June 05, 2023 (GLOBE NEWSWIRE) -- [Builtmore Contract Manufacturing](#)™, owned and operated by The Shyft Group, Inc. (NASDAQ: SHYF), the North American leader in specialty vehicle manufacturing, assembly and upfit for the commercial, retail and service specialty vehicle markets, celebrated a production milestone today with long-time customer Isuzu Commercial Truck for reaching the 100,000th Isuzu N-Series gas-powered truck for Isuzu Commercial Truck at its facility in Charlotte, Mich.

"This 100,000th production milestone is a testament to the increasing popularity of our gasoline-powered Isuzu N-Series offerings, which can be attributed in large part to the outstanding quality our partners at Builtmore build into every truck," said Shaun C. Skinner, president of Isuzu Commercial Truck of America and Isuzu Commercial Truck of Canada.

Production started in Charlotte for the Isuzu N-Series trucks in 2011, beginning with Class 3 and 4 models and then adding a Class 5 gasoline-powered chassis in 2021. With almost five decades of Class 1-7 commercial, retail, and service vehicle success, the Shyft Group and its Builtmore go-to-market brand provide Isuzu with state-of-the-art flexible manufacturing facilities, highly trained personnel experienced in commercial fleet manufacturing and assembly, and proven lean manufacturing processes.

"We want to acknowledge and thank the team at Isuzu Commercial Truck for the partnership and success we've been able to achieve together over the past 12 years," said Daryl Adams, President and Chief Executive Officer of The Shyft Group. "We are proud to serve Isuzu as a cost-effective and flexible manufacturing partner for their N-Series and F-Series programs helping support their continued growth in the medium-duty truck market."

The Builtmore team was personally greeted today by Isuzu leadership in Charlotte on both day and night shifts as the 100,000th truck rolled off the line to acknowledge the collaborative partnership and their hard work and commitment to quality. Builtmore does contract manufacturing exclusively for Isuzu and, in addition to the Isuzu N-Series, the team also assembles the Isuzu F-Series at the Charlotte facility.
